THE RICHEST PEOPLE
IN THE WORLD.

Lo, the poor Indian. Is poor no
 more, he is now the rich Indian.

For the Osage Indians of Oklahoma
 have been pronounced the richest
 people in the world.

Every member of the tribe has
 a balance of \$4,644 deposited in Uncle
 Sam's big bank at Washington draw-
 ing 5 per cent. interest. Besides this
 they each own over a square mile of
 valuable land, which brings the for-
 tune of every man, woman and child
 of the tribe up to \$11,500.

So much for being a protégé
